Transport Portfolio Committee congratulates the Department for their 2024/25 Clean Audit Outcome

The Chairperson of the Portfolio Committee on Transport and Community Safety in the Limpopo Provincial Legislature, Hon Kedibone Lebae, extends heartfelt congratulations to the Limpopo Department of Transport and Community Safety for attaining a **clean audit** for the 2024/2025 financial year.

This commendable achievement, as confirmed by the Auditor-General of South Africa, reflects the department's unwavering commitment to sound financial management, effective governance, and ethical leadership.

"The clean audit outcome is a clear demonstration of the department's dedication to transparency, accountability, and service delivery excellence. "As the Portfolio Committee, we are proud of this milestone and commend the MEC, Head of Department, senior management, and all officials who contributed to this success," said the Chairperson.

The Chairperson further emphasized that this audit outcome not only builds public confidence in the department but also sets a positive example for other departments across the province.

"This is not just about compliance with financial regulations—it is about ensuring that public resources are used efficiently and effectively to improve the lives of the people

of Limpopo. We encourage the department to sustain this momentum and to continue driving initiatives that enhance road safety, community protection, and integrated transport services,” the Chairperson added.

The Portfolio Committee remains committed to providing effective oversight and working collaboratively with the department to ensure that this standard of excellence is maintained and built upon in future financial years.

End.
