## **Speaker sends her best wishes to MPL, Hon. Thambeleni Colbert Nempumbuluni**

The Speaker of the Limpopo Legislature, Hon. Dr Makoma Makhurupetje, has sent out her best wishes to Hon. Thambeleni Colbert Nempumbuluni, a Member of the Provincial Legislature (MPL), following a recent car accident.

On Thursday afternoon, the Speaker, accompanied by Hon. Caroline Mahasela-Manthata (Chairperson of the Standing Committee on the Quality of Life) and Hon. Dowelani Alton Nenguda, visited Hon. Nempumbuluni in hospital to extend and express their well wishes.

“We wish Hon Nempumbuluni a swift and complete, strengthened health, and comfort during this time. We found him in a stable condition, good health and recovering well with speed. We anticipate his release from hospital in a short space of time.

The Legislature stands in support and hopes to see the Honourable Member return to full and regained strength soon,” the Speaker said in a short message.
